The 7th Group Analytic Society International Summer School
Italy, Turin 24-28 July 2024
TransformActions: caring for our future
TrasformAzioni: prendiamoci cura del futuro

Join us for 5 days in Turin, Italy, town of **TransformActions**
First capital of united Italy, medieval town, baroque and modern,
where the XVIII century St. Barbara has turned into the Peace Arsenal, the Mole
Antonelliana into the Cinema Museum, the Nobles 'Palace into the Egyptian Museum, all
of them amongst the biggest in the world.
Industrial Turin, city of the automobile, of the economic boom and crisis,
Turin that has become a cultural pole.
Turin place of immigration, of complex and demanding integrations.
Turin where the first Italian group analysis lands and the asylums become healing
experiences through the relations among people, in the community.

Abstract

Many changes are taking place in various fields: society, culture, digital communication, education, environment, work, care. This context opens up to a challenge that we would like to explore together.

How can we care for ourselves, groups, communities, and society while conceiving, promoting, accompanying long-lasting and positive TransformActions?

How can we foster and hold dialogues, confrontations, conflicts, integrations, with responsibility and confidence in our limited, but not negligible possibilities?

How can we cope with these troubled times bearing helplessness and nurturing curiosity, flexibility, adaptation, resilience and hope?

Turin is a post-industrial city that has gone through many transformations, changes are constantly happening, confronting very different urban and socio-economic settings and facing different viewpoints on immigration, intergroup relations, conflicts and potential resolutions: a favorable framework to host the GASI Summer School, which is a melting pot of different countries, generations and training.

Fees and Registration

Two fee types are available:

Full Fee: £ 340

Lower Fee: £ 250

The lower fee is for trainees, and we would ask that all qualified group analysts pay the higher fee, as your fee enables the attendance of trainees on lower incomes.

The fee covers attendance at the event, lunches at the venue, and refreshments at coffee breaks. The welcome reception on Wednesday evening and a contribution to the supper on Saturday are also included. The venue has a coffee shop and a supermarket, and in Turin there is a wide range of restaurants for evening meals.

To **register** please follow this link:

There are plenty of opportunities in Turin, 10' away by train, be aware to book close to Porta Susa railway station.

Program

The School begins on Wednesday the 24th July at 4pm and ends on Sunday the 28th at 1pm. Being an experiential event, it features a mixture of Social Dreaming matrix, small groups, large groups and supervision groups and morning presentations. We recommend attendance of the whole experience since it is a process and the beginning and the end are part of it.

How to get there

Cascina Fossata is located in Quartiere Borgo Vittoria, few steps away from Rebaudengo Fossata Railway station and 500 away from the motorway junction to **Sandro Pertini** airport at **Caselle**.

By train: from **Porta Susa** railway station in Turin it is possible to reach Cascina Fossata in 5' by train stepping out at Rebaudengo Fossata station. In alternative bus n. 10 to the bus stop Coppino. Form **Porta Nuova** railway station in Turin bus n.52 to bus stop Coppino. In alternative Porta Nuova is connected to Porta Susa by the underground line 1 and from Porta Susa by train to Fossata Rebaudengo station.

By plane: **Caselle** airport (**Sandro Pertini** airport) is 13 km away from Cascina Fossata. There are trains connecting the airport to Rebaudengo Fossata Station. It is also possible to take a taxi from the airport to the venue. If landing in Milano Malpensa there are regular buses to Turin Porta Susa:
